A little note from us..

Quinlan's Fish is a family-run business from Cahersiveen, Co. Kerry, on Ireland's beautiful South West coast.

What began in 1963 has grown into a family tradition now carried forward by the second and third generations.

For more than sixty years, we've been passionate about bringing the finest Irish seafood from Tide to Table from the weekly landings of our own trawler, Progress II, to our renowned award-winning smoked salmon.

Quality, sustainability and family are at the heart of everything we do, and we're proud to share a taste of our home with you.

Thank you for choosing Quinlan's.
